Needle and Thread
Or Sewing Machine
Pencil, Stapler

1
Line up two pieces of felt. Staple printed pattern on top all around near the outline.

2
Use the pattern for the heart and nose to cut from the felt scraps. Stitch or glue in place.

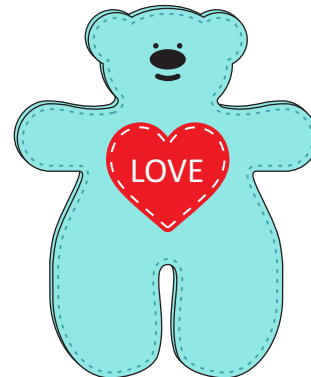

3
Embroider or use a fabric marker to make the face and heart details.

4
Hand sew or machine sew all around the bear close to the edge leaving about 1.5" open to stuff.

5
Place small balls of the filling into each ear, leg and arm using the pencil to push and shape. Fill the body pushing and shaping.

6
Stitch opening closed.
