

Easy Fabric Bear

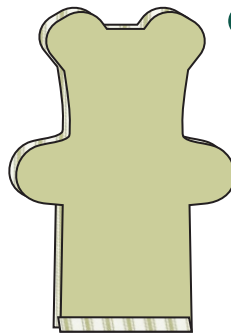

Supplies:

16" x 12" Piece of Fabric
Scrap of Red and Black Felt
Fabric Scissors, Fabric Glue
Polyester Fill

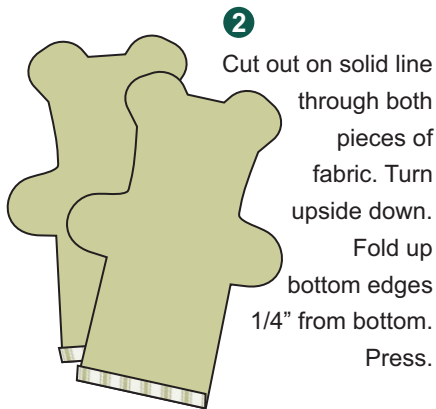

8" of 1/4" Ribbon or Trim
2 Printed Sheets From Next Page
Sewing Machine and Thread
Fabric Marker, Pencil
Needle, Iron, Stapler, Pencil

1 Print Pattern. Fold fabric in half. Staple pattern all around near bear outline.

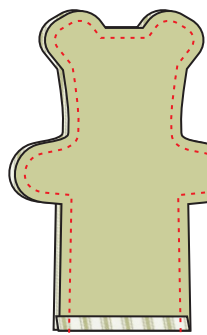

4 Line up the front and back pieces together right sides together.

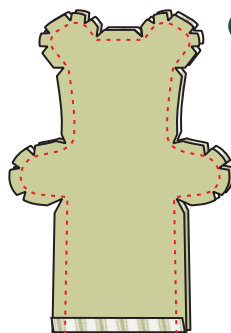

2 Cut out on solid line through both pieces of fabric. Turn upside down. Fold up bottom edges 1/4" from bottom. Press.

3 Cut out nose and heart from felt using the same method as above. Glue into place. Use a fabric marker to make eyes, draw line down from the nose and add stitching around the inside of the heart.

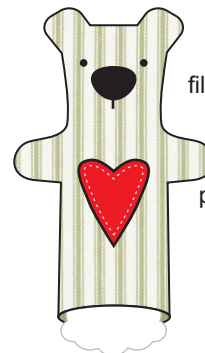

5 Stitch all around the outside 1/4" from edge. Leave the bottom open.

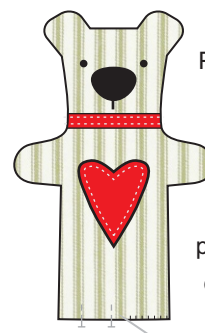

6 Clip corners and curves as shown.

7 Turn right side out. Use a pencil inside to push the ears and arms into a nice shape.

8 Place small balls of the filling into each ear and arm using the pencil to push and shape. Fill the body pushing and shaping.

9 Pin the bottom closed. Stitch using an invisible stitch. Glue a piece of ribbon or trim around the neck.
