

Fabric Tissue Pack Covers

Supplies:

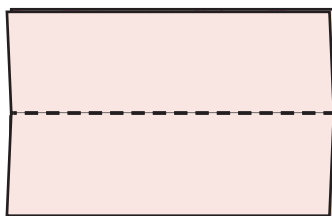

Fabric Scrap	Sewing Machine
Fabric Shears	Tread
Ruler, Pen	Iron

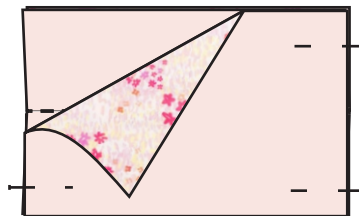

1 Cut three pieces of fabric to 5.5" x 3.5"

2 Fold two of the pieces in half, right sides together. Press.

3 Position the two on your work surface with the folds touching.

4 Place the third rectangle face down on top of the other two.

5 Stitch 1/4" from all sides.

6 Trim corners on an angle. Turn right side out. Push pen into the corners to square them off.
