1

Staple printed pattern on top of the felt sheet all around near the outlines.

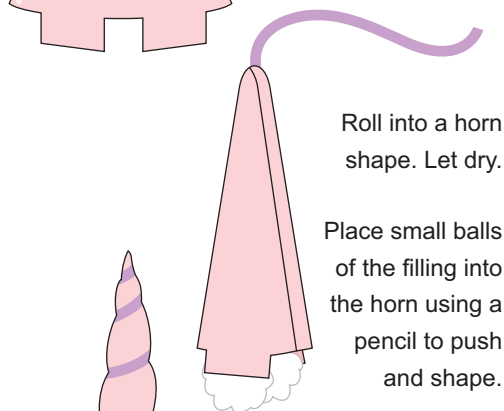

Wrap the tabs of the horn around the middle top of the headband. Glue in place.

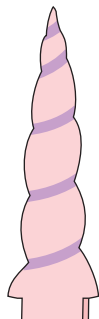

Glue the end of the cord in the middle top of horn piece.

Run a bead of fabric glue down one side.

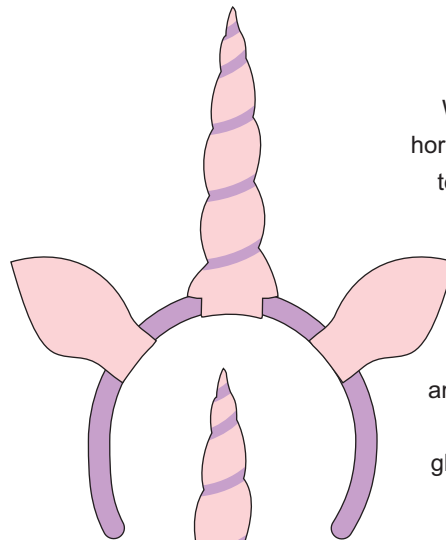

Roll into a horn shape. Let dry.

Place small balls of the filling into the horn using a pencil to push and shape.

Wrap the cord around and down the horn. Trim excess. Glue end.

Wrap each ear around the headband gluing in place and gluing the front of the ear to the back.

Glue tulle on the underneath side of the middle of the headband pinching fabric as you work to create the ruffling. Glue flowers to the front.
