

# Kitty Tote Bag

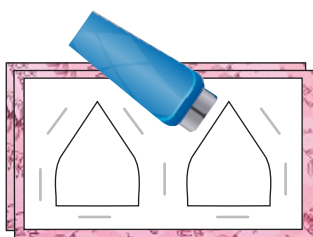

## Supplies:

1/3 Yard of Heavier Weight Fabric  
30" of Belt Strapping or Heavy 1" Ribbon  
Stapler, Pencil

Fabric Scissors  
Sewing Machine  
Black Felt  
Fabric Glue

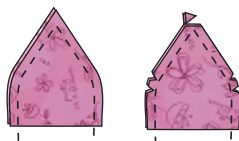

1

Cut two 12" fabric squares. From scrap, cut two rectangles for the ears. Staple pattern all around the outlines to scrap rectangles. Cut out.

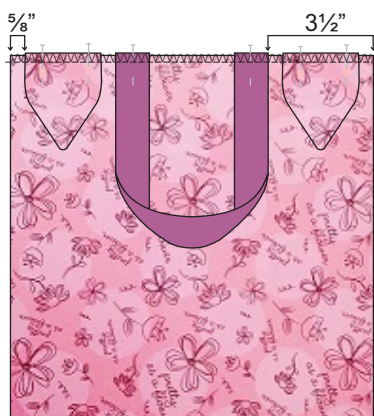

2

Stitch ears 1/4" from edge leaving the bottom open. Clip curves and point. Turn Right side out.

3

On the right side of one of the squares, pin ears upside down 5/8" from each edge. Cut the strapping to two 15" pieces. Pin as shown. Serge or zigzag stitch edge. Repeat with the other piece of strap and other fabric square.

4

Line up both squares right sides together. Stitch sides and bottom 1/2" from edge, leaving the top open.

Clip corners.

5

Pull the handles and the ears up and out rolling down the top edge 1". Press.

6

Topstitch around the opening 3/4" from edge. Use pattern to cut the face out of felt. Attach with fabric glue.
