

DIY Patriotic Crocheted Scarf

Supplies:

- 100g Red Yarn
- 100g White Yarn
- 100g Blue Yarn
- 3mm Crochet Hook
- Tapestry Needle

Schematic:

Use this picture to get a better idea of the scarf's pattern:

Section Measurements:

- Each **Blue** strip with length 11.2 inch.
- Each **White** strip with length 2.8 inch.
- Each **Red** strip with length 2.8 inch.
- When finished, the scarf will contain **2** Blue strips, **9** Red strips, and **8** White strips.

Abbreviations:

The instructions below use standard US crochet terminology:

Ch = Chain(s)

Hdc = Half Double Crochet

St = Stitch(es)

Gauge:

20 DC & 10 rows = 3 inch

Finished Measurements:

Length: 70 inch (168cm)

Width: 7 inch (16.8cm)

Pattern Notes:

2 chains on the beginning of the row count as st.

Number in parentheses is the number of stitches in that row.

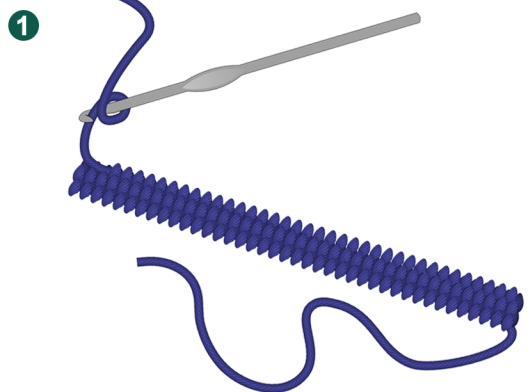

Changes between colors work as follows:

Stop before the last stitch of the row.

Work the last HDC to the point where only 3 loops are left on the hook.

DIY Patriotic Crocheted Scarf (cont.)

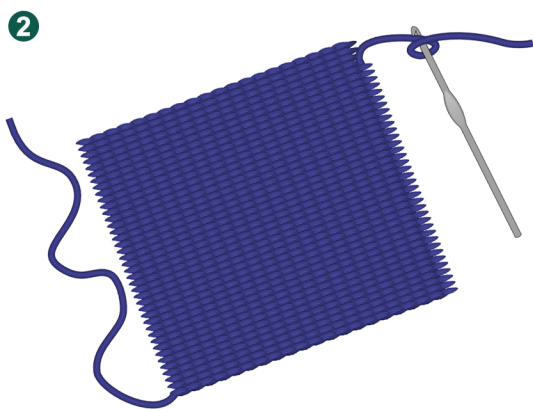

Step 1

With the **blue** yarn, start with ch37 + ch2 (as height), turn.

Row 1: hdc in 3rd ch from hook, 36hdc on next 36ch, ch2, turn. (38hdc)

Row 2: hdc in 3rd ch from hook, 36hdc on next 36ch, ch2, turn. (38hdc)

Row 3: hdc in 3rd ch from hook, 36hdc on next 36ch, ch2, turn. (38hdc)

Step 2:

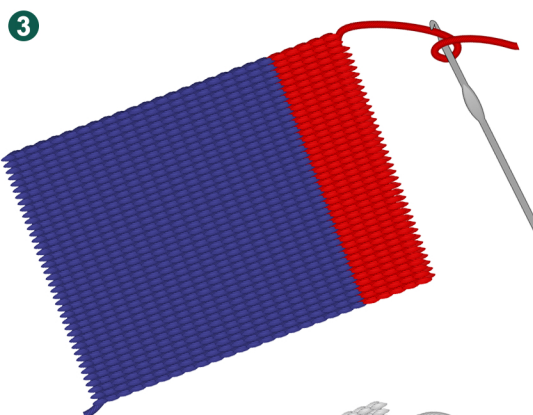

Rows 4 to 44: Repeat **Row 3** for 40 more times, fasten off.

Step 3:

With **red** yarn, (follow picture in pattern note to know how to change color), ch2, turn.

Row 45: hdc in 3rd ch from hook, 36hdc on next 36ch, ch2, turn. (38hdc)

Rows 46 to 56: Repeat **Row 45** for 10 more times, fasten off.

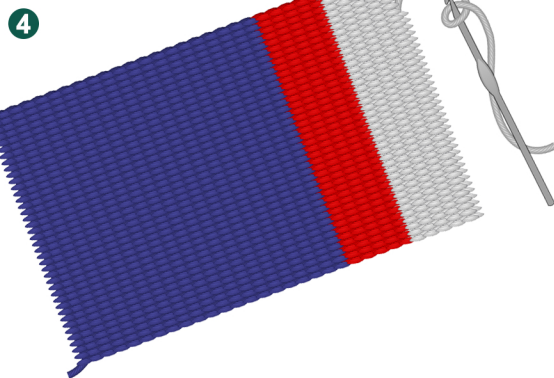

Step 4:

With **white** yarn (follow picture in pattern note to know how to change color), ch2, turn.

Row 57: hdc in 3rd ch from hook, 36hdc on next 36ch, ch2, turn. (38hdc)

Rows 58-68: Repeat **Row 57** for 10 more times, fasten off.

Step 5:

Repeat **Steps 3 & 4** seven more times.

Repeat **Step 3** one more time.

Repeat **Step 2** one more time.

Refer to the schematic above if you get lost or need help.
